SEASHELL

CRISFIELD HIGH SCHOOL
COAT OF ARMS

In the right upper-third of the crest are three passant lions from the Somerset Coat-of-Arms.

The wavy bend detail is from the Maryland State Seal standing for furrows representing farming.

In the left base are found three fleur-de-lis from the Somerset Coat-of-Arms.

Below the shield a ribbon boldly proclaims Crisfield High School.

The torch is for knowledge.

The crab is the school mascot.

CRISFIELD HIGH SCHOOL
VOLUME XVIII

As advisors for the past few years, you have given of your time and talents to assist Crisfield High School in producing its greatest publication -- The Seashell. Your youthful approach to this great task has helped us make fun out of work.

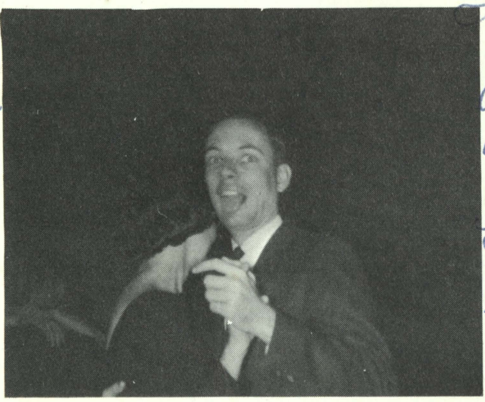
As teachers you have encouraged us to realize the necessity of higher education for a successful future.

As friends you have listened to our complaints, understood our problems, and shared our teen-age interests.

Therefore, Mr. and Mrs. Riggin, the Class of 1964 dedicates their Seashell to you.

Higher pay -- better transportation!

To Ronnie – The best to you at the University next year. Sure will miss our "chats" in typing
"Miss" Marilyn



That perfume brings out the beast in me!

To Ronnie – Thanks for all you've done in school and church! I know you have a wonderful future – perhaps you'll be back at C. H. S. with us soon but on the "other side of the fence" –
Sincerely –
Mr. Riggin

Mashed potatoes -- yea!

To a good kid
Billy

As we remember the events of the 1963-'64 school year, we will recall the assassination of the President of the United States as being the most memorable. Therefore, in order to pay tribute to our late President, the Sea Shell staff dedicates this page to the memory of John Fitzgerald Kennedy -- 35th President of the United States.

Nothing could ever erase the memories of the fun we've had during our Senior year— or fun we've had during the five years we've been classmates. I can't believe anything can ever mean so much to me as these memories.
Hope to see you next year!

WHO ARE THE SENIOR SUPERLATIVES? Are they the best the school has to offer? Does everyone envy these select few? Well, to be truthful, that's debatable! In reality they're just a group of energetic, fun loving, individuals. To us, the SENIOR CLASS OF 1964, this year has been the most enjoyable year in our scholastic adventures. And we in turn have decided on those seniors who have helped to make our year memorable. Their laughter, hard work, and mischievous deeds will ring through the halls of C.H.S. for years to come.

FIELD HOCKEY

The Crisfield High field hockey team completed its season with three wins, one loss, and four ties. The 1963 team has shown a great improvement over previous years and looks forward to another successful season. The team is coached by Dr. Sterling.

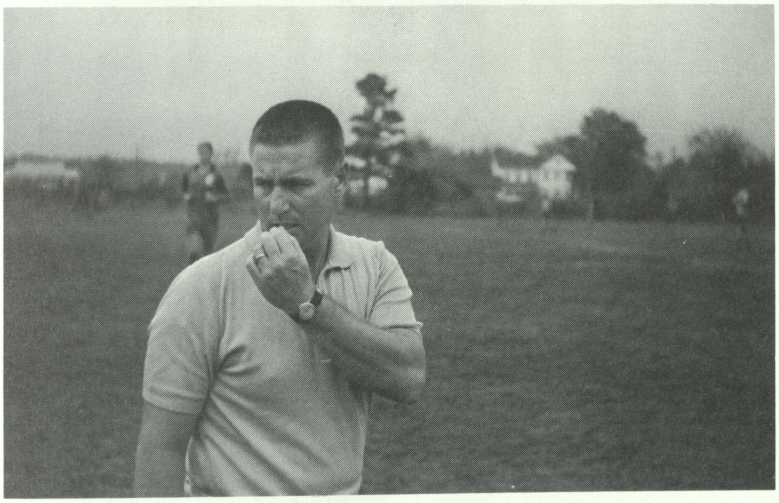
SOCCER

The 5-3-2 won-lost-tied record compiled by the 1963 soccer team of Crisfield High School would in most cases be considered a successful season. However, in the eyes of Coach Morgan and the players, it was one of frustration as this team was the most talented of any Mr. Morgan had ever coached. Therefore, even though the services of nine standout players will be lost through graduation, it is hoped that the '64 soccer team will fulfill the expectations of the '63 team.



Hmmmmm! Problems, Problems!!!

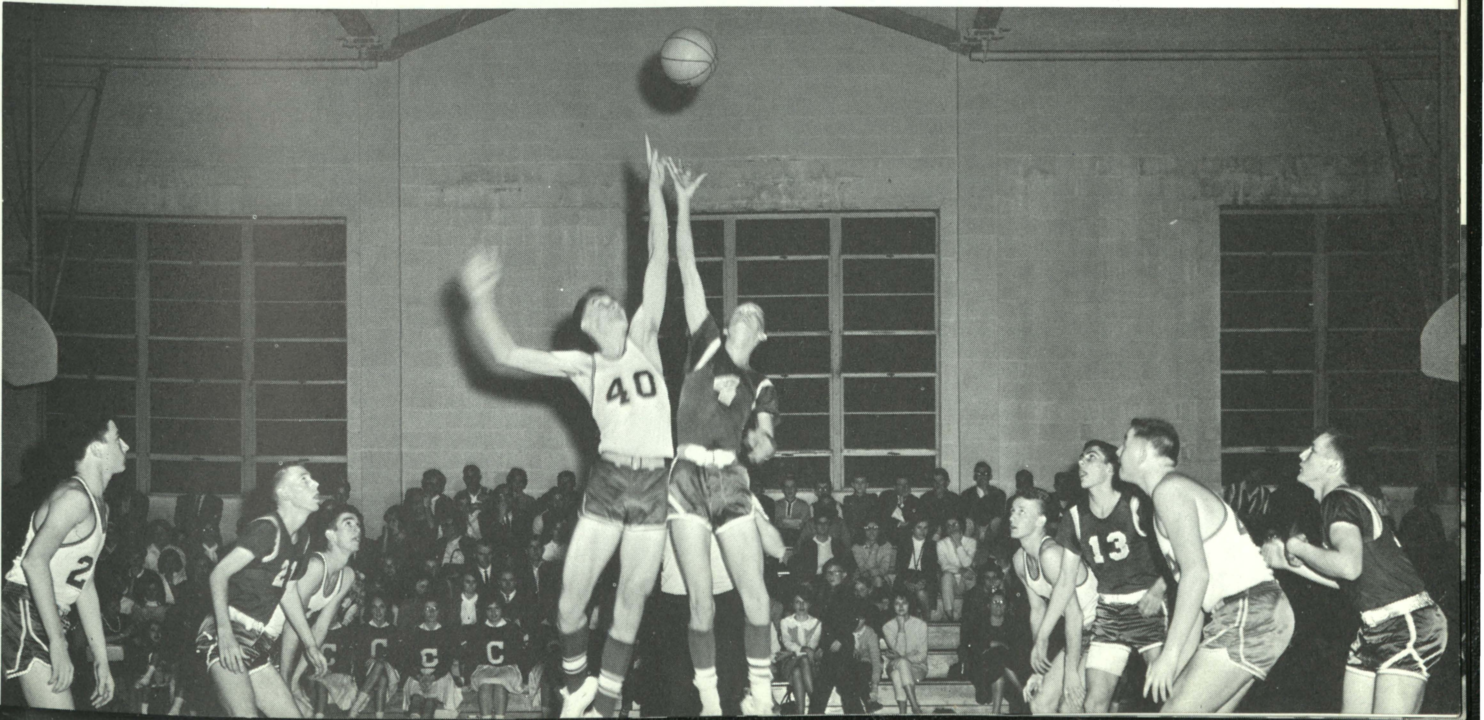
Ballet or Basketball????

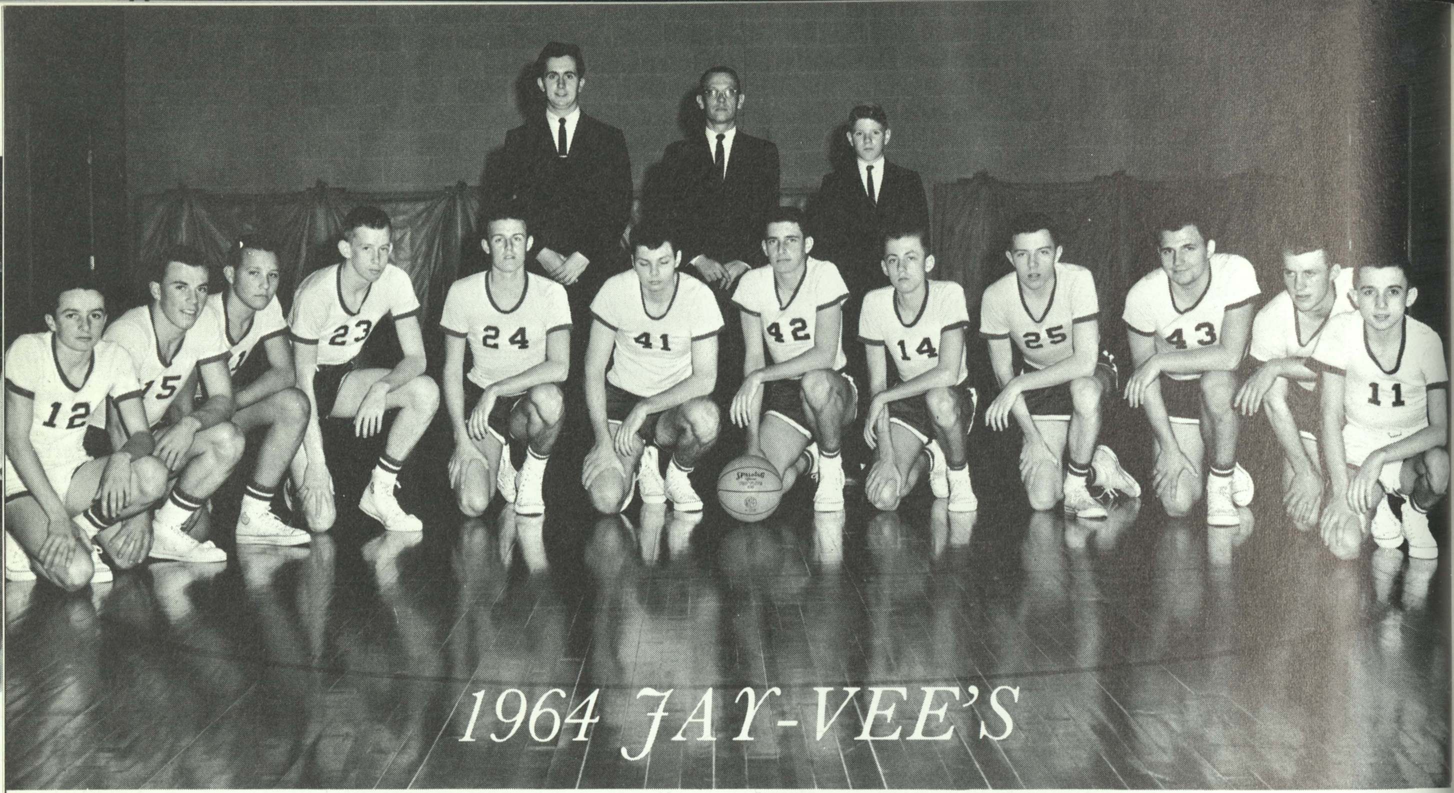
The 1963-1964 edition of the C.H.S. Crabbers will long be remembered as one of the finest -- if not the very best -- to represent our school. It was indeed a team of surprises as many believed that this ensemble would have difficulty winning the County Championship. However, it not only captured the County and District titles, but it also won the STATE CLASS "C" CHAMPIONSHIP.

From a young inexperienced squad at the start of the season to a mature, outstanding unit that are State Champions at the end of the schedule is quite an accomplishment. The first team was composed of four juniors: Paul Emely, Darrel Landon, Phillip Rayfield, and Larry Sterling. These boys were held together by the only senior, Glenn Evans, Mr. Clutch of the squad, who set the school scoring record by tallying 429 points. To show his versatilty he also led the team in assists, foul shooting and shooting percentage and was one of the best defensive players.

Since six boys are returning next year from this squad, the 1965 quintet is expected to be a strong team. However, it will be difficult for any squad to duplicate the thrills that this team has given us this year.

Starting Five -- Glenn, Larry, Paul, Phill, Darrell.





1964 JAY-VEE'S

The Crisfield JV squad compiled a record of 12 wins and 3 losses during the 63-64 season. The squad was composed mainly of first year men and developed into a smooth working unit as the season progressed.

The highlight of the season was the 57-47 victory over the Pittsville varsity, the last game of the season. Coach Dykes is quite hopeful that these boys will continue to progress and be varsity candidates next year.

DON'T BE CAUGHT DEAD SITTING ON YOUR SEAT BELT!

This year our C. H. S. Student Council welcomes a new advisor, Jimmie Lee Howard, who has stepped into Dr. White's shoes with a great deal of enthusiasm for the promotion of student government.

Under the commendable leadership of our president, Pat Ward, we forged ahead to undertake and complete many varied projects aimed at increasing the council's representation of each individual student, including our membership in the regional, state and national organizations. It has been our goal throughout this year of 1963-64 to make the student completely aware of the fact that he is an integral part of the school program and thus may alter it to suit his best interests through the work of the Student Council, and that without the support of each pupil, this representative body cannot exist.

The life you save may be mine!

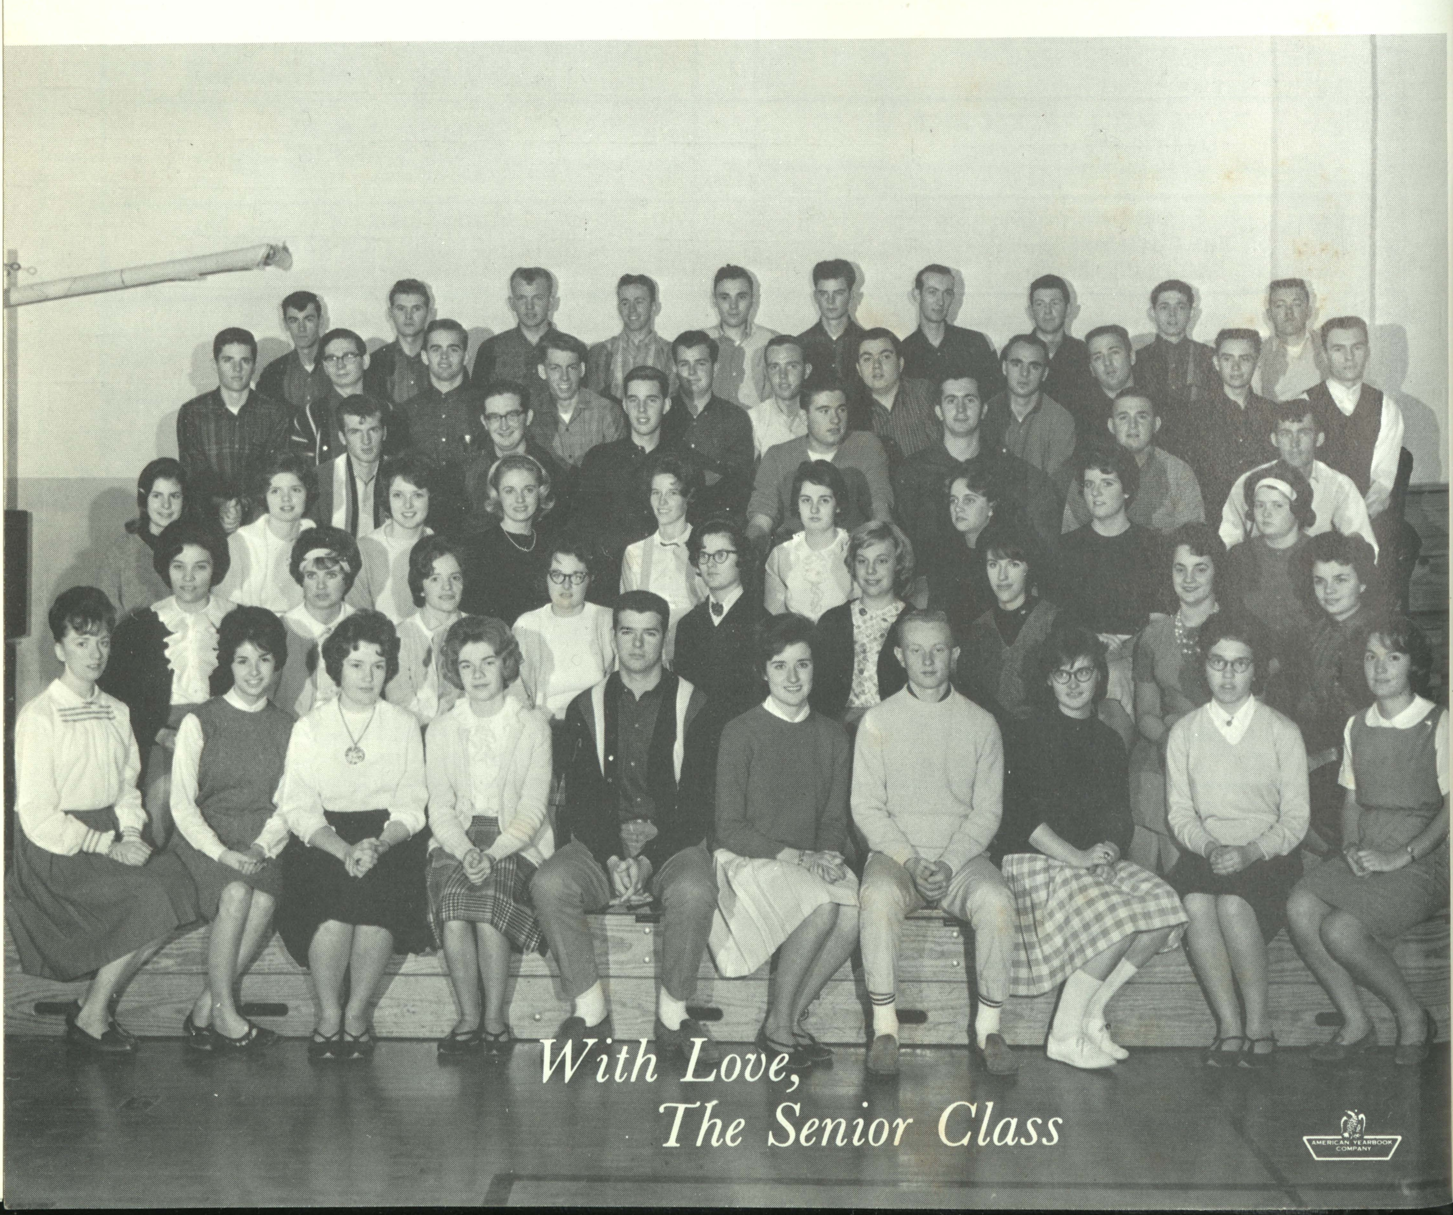
Dear Crisfield High School
Our home of many years
How our hearts ache to leave you
As graduation nears.
To the future we must look
On our own wings we must fly
To fellow classmates that we love
How we hate to say good-bye.
But your memory will linger
As every year shall pass
We never will forget you



With Love,
The Senior Class

Ron - I know you've received a good deal of comment this year - good and bad - but whatever come from me - let me say this - I've seen few kids this year exhibiting talent and devotion as you have - the operetta was great - I enjoyed your support (moral and verbal) on "Challenge - Good luck -

Chris

Ronnie

Best of luck to a real swell guy — maybe I'll see you next year at "U of M" — Good look
